Rules of **Sturling**

1. Sweeping/brushing is allowed **only** from the hog line to the back of the house at the playing end.
2. Each team is comprised of **two** players.
3. One member of each team stays at each end of the rink, and **must not** cross center ice.
4. The two delivering players alternately deliver **6 stones** each per end, while their teammate skips that end. Then roles are reversed, and the partners deliver the stones back.
5. All games are **six ends**. In case of a tie, an extra end is played, with each player delivering 3 stones (skips and deliverers exchange roles at the midpoint of an extra end).
6. **No** stone may be removed from play prior to delivery of the **fourth** stone of each end. If that should happen, the delivered stone is removed from play and all other stones are returned to their original positions.
7. All stones must be released before reaching the hog line, and with some part of the stone within 2 feet of the centre line.
8. Other rules and etiquette of regular curling apply.
